

Hope and Healing

Caregiving Challenges and Rewards

September 18, 2020
Moncton, NB
Days Inn and Suites

Interested individuals are invited to participate in the 2020 Hope & Healing Conference.

A variety of special guests are invited to speak on Guiding Family Caregivers of People at the End of Life, Caring for people who have Dementia, Stress Management. Other caregivers will share their valuable learnings of caring for their family members.

Please join us for this great learning opportunity and help us share the information with people who can benefit personally and professionally.

The conference will be offered free of charge thanks to the partnership of Service Canada through the Horizons for Seniors Grant.
